

Northern Region

Coach Education Report – 19.6.23

Courses

Level 2 Club Coach – This is now advertised <https://www.britishrowing.org/rowing-activity-finder/course/?courseid=EV002061&coursename=club-coach-sliding-seat-newcastle-upon-tyne> Starting 29th July 2023 and running on the following dates Sunday 30th July and then Saturday 5th and Sunday 6th August 9 – 1700 daily. Only 2 spaces left now.

I plan to pencil in next year's courses for a similar time. Other regions have difficulty in filling the courses but as, yet we have had no issues with this.

I'm also arranging another Level 3 Coaching Course in the region, dates to be finalised. The Region has another recently qualified Level 3's in Ray Domine and Alex Leigh, congratulations to both.

Would Coaches like a virtual get together twice yearly to update skills and see what barriers are faced by coaches. Pamela to email out to clubs and to also put onto social media. Still need to do a google poll on this to all Coaches in the Northern Region.

Regional Coach Cafe

This will be held around the Country as part of British Rowing Coaching Week. To be on Sunday 17th September. Before 17th, I need to complete the attached form with the idea the Northern Region will run with on 17th September to attract Coaches to come together either online or in person. See attached Flyer.

Paper as to the suggestion of a "performance group" made up of hopeful performance athletes and their coaches to come together. See appendix A.
