**Courses**

**Level 2 Club Coach** – Course ran at Durham in February, which ran almost full, 1 candidate short. These candidates will be ready for assessing May/June.

Shortage of Assessors - Currently the Northern region is short of assessors with John Mullholland and Eddie Bryant the only active assessors. Propose to do a drive to recruit more assessors and possibly another Tutor.

Can any clubs let me know if coaches are having difficulties getting coaches requalified on their First Aid Qual or refreshing their Safeguarding qualification.

Would Coaches like a virtual get together twice yearly to update skills and see what barriers are faced by coaches. Pamela to email out to clubs and to also put onto Social Media.

## **Diploma in Sporting Excellence**

Currently have 4 athletes in the region going through this as per Junior Commissioners report.

DiSE opens again in April this year and I have attached a flyer about the prerequisites for any athlete wanting to pursue this.
