

NRC REPORT From BR Divisional Representative

There have been no grant applications since the last NRC meeting.

Following the suggestions made at the last meeting the forms have been changed and sent to the subgroup for approval, Charly has already approved them.

The application form has been made more concise in some parts, but has also been extended to cover the club giving feedback regarding the use of the grant with regards the applicant actually doing work for the club or region which has been made possible by the grant (eg Jane Smith has done 15 hours coaching with the juniors at Tyne ARC).

The new form is attached to this email, it still waiting for approval from some members of the subgroup.

The description of the grant application has also been updated on the NRC website.
