

NRC Masters Feedback

NRC Exec 20-06-22

There were 2 main issues discussed.

Handicaps

Especially at the older end of the spectrum, it is proposed that the older people don't get quite so large a handicap.

More discussion will ensue.

BR Membership fees.

The feeling amongst most of the committee was:

The principle of "paying more if you race more" was generally supported.

Most rowers do not enter more than the "break point" of 24 events / year and would therefore benefit from the proposal.

There was some support for a lower scale of charges for Juniors
