### **Coaching Education**

NCC Meeting 30.5.24 - notes

To discuss the white paper regarding coaching qualifications. Over 20 years ago was a huge overhaul and this was when Session Coach and online modules created. More questions than answers. Consultation started 2020 which fed into lead plan (version 4 currently) draft document.

Where B.R. are at currently.

1. Consultation internally, working with home nations, UK Coaching. Next week busy week regarding 4 focus groups, struggling with Coastal Community to engage with.
2. Update with Coach/Educators on 13<sup>th</sup> June, this was open to invited Coach/Educators only.

3.1 Making the becoming a rowing coach an exciting prospect. – much discussion as to what this means to different people.

Suggested dates for next courses, I'm currently getting Educators and venues arranged. I also must finalise 1<sup>st</sup> Aid courses for June/July and August to mop up everyone for their 1<sup>st</sup> aid.
