A competition checklist is in development, following review of 2023 existing documentation and in consultation with Chairs of Race Committees and NRUC.

Request for @nerowing.com email address to make contact easier for organising committees and also succession planning for role (eventually!).

Competition summary since last meeting

The head season concluded with most competitions running as scheduled and the first Derwentwater Head was finally held on 4 March. Once again, we welcomed BUCS to the region in February for the Head competition, which was well-supported by local clubs and officials. We have not yet had confirmation from BUCS regarding their plans for 2024.

Chester-le-Street Spring regatta [22 April 2023] has been cancelled.
