Hannah Park, 47 West Field Road, Berwick upon Tweed, TD15 1PT

Notes:

1. We hope that all competitors will be able to find 2 – 3 events from the events offered. Please be aware, when doubling up, of constraints on time and equipment. There may be minimum time between races, as it is intended to row events to a conclusion, in case of multiple entries.
2. Sharing of equipment and competitors, including coxswains, must be notified at time of entry. We understand that competitors will need to share equipment and coxes, but would ask, when possible, that clubs ensure that they have enough equipment to cover their entries to aid smooth running of regatta.
3. We reserve the right to upgrade competitors if insufficient entries in their class, so please state status/age group of crew and state clearly if **NOT** prepared to compete to higher status.
4. Please note that entry fees will not be refunded after the draw, except if there is no event or upgrade available for a crew to compete in. If a competitor decides to scratch then they will be liable for their fee.
5. If any status changes occur between entry and draw please notify the regatta secretary ASAP so changes can be accommodated.
6. In the event of a cancellation the regatta will endeavour to refund all entry fees after making deductions for all unavoidable costs.
7. The draw will be published ASAP after complete and any problems should be notified ASAP.
8. This regatta will be run under the British Rowing rules of racing.
9. Masters Events will be handicapped according to BR at start.
10. J14 and under will race over short course.
