

## Events Coordinators Report

### Heads Season

2022 started with a very successful Tyne United New Years Head. Weather held up and the event went well. It seems very busy with Durham SBH and the rescheduled Rutherford all to look forward to.

### 2023 Event Dates

Attached is the proposed dates for 2023 events calendar. There is a question mark for South Hylton LDS as the tide times are not favourable. Could NRC come back with any feedback and then I can submit to the club event contacts to get approval.

### Change of Event Date - Durham LDS & SBH

Durham have requested a date change for their LDS.

They had been allocated 29th October 2022 but this is not suitable for them. With the tricky times I can't move Berwick and the solution proposed by Mark Bell is moving 12th November 2022. Please can we approve this as a region. It does not clash with any other neighbouring regions events.
