

Events Coordinators Report

We have returned to a jam packed racing / competitions calendar in 2022 with 34 affiliated and unaffiliated events held throughout the year. Regatta season ran smoothly with all events able to run in variable weather conditions (some big waves) and have been well supported by clubs. LDS events have all been able to run so far, the last being Durham on November 12th, if the weather doesn't play havoc then this will be the first year in a long time all LDS events have ran.

Heads will soon be on us, Rutherford Head already suspended for entries. We can then enjoy a short rest, have a wonderful Christmas and back up for Tyne United New Years Head in January.

2023/2024 events calendar has been communicated to clubs and submitted to British Rowing, 2024/2025 event dates are currently in planning as soon as tide information can be extracted they will be proposed.

We must take a moment to thank event organisers, volunteers and umpires for giving so much time to help run events, without them we wouldn't be able to hold as many competitions as we do, thank you.
