Report by Rec. Rowing and Explore Rowing Rep, Pamela Walton

Sunday League Series – This was the tenth anniversary year of the national trend setting even. Fittingly it was hosted by Tyne who hosted the first event 10 years ago. A warm welcome to Cambois Rowing Club for hosting one of the events this year and putting out a team, who trained in fine boats for sweep skills, respect for new to sport, hoping to see teams from Cambois and other clubs in 2023.

For more information as to scores on the doors, go to for this year's league table <https://www.nerowing.com/sundays2022.html> .

The Winners were, S-quads on Fire from Tyne United R.C. for the Ladies and Berwick's Best for the Men, well done.
