

Rec. Rowing Report for NRC – 31.1.22

Pamela Walton

Since last meeting the following has taken place.

1. Email sent out to all clubs with contacts for dates for 2022 proposed to start in March and end October 2022, subject to interest. I have already had a reply from Berwick who have given me April or May as proposed dates and Hexham proposing July 2022 as a suitable date.
2. For dates for the diary of a wide variety of tours go to <http://www.recrowing.org.uk/> . This year the UK tour will be 9<sup>th</sup> – 11<sup>th</sup> September rowing the River Great Ouse, St Neots to Denver. Follow above link for more information.
3. Meetings are still on line via Zoom. Last meeting was held on 28.1.22 at which the following was discussed: -
  - a. Club Rec Rowing Survey – this is to be sent out to all clubs.
  - b. The up and coming UK tour, Norfolk Broads tour and French Tour.
  - c. Discussion as to event insurance for Rec. Rowing events. Looking towards getting a greatly reduced day rate for such events.
  - d. Discussion re. the B.R. Strategy Development with regard to the RRC strategy.
  - e. Next meeting date is set for 4.3.22, again a Zoom meeting.

I hope to have firmed up 2022 Sunday League dates by mid February.

Pamela

NRC RRC Rep.
