

***Masters report to NRC Jan 2024***  
***Gabrielle Moore***

The 2024 National Masters Championships will be held at Home Pier Point 15/16 th June

The 2025 event will be held at Strathclyde.

There was a long discussion about a proposal to change the dates of the Henley Masters Regatta and National Masters which would have impacts on the timing of other key rowing events, the swimming event, Henley Music Festival, etc.

This led to a further discussion about the format of National Masters and the most appropriate levels of competition, Champions, Intermediates, Development. It was agreed that the discussion should be widened to include local rowing committees. To ensure a common approach a document setting out the issues will be prepared and distributed once it has been finalised. Liz Porte will prepare and progress this document.

The survey has now been completed. A decision has not yet been made.
