

Tyne Amateur Rowing Club

Car parking advice for events

Parking at clubs

Trailers and towing vehicles can park at their host clubs, as directed on the day. There is no parking for competitors at Tyne ARC or Tyne United ARC. Those boating from Newcastle University BC may park there within the grounds (and others if any room left).

Competitor parking

Competitors are advised to park in public car parks at the Country Park end of Grange Road on the north (Newburn) side of the river (top left in pic), and walk back along the riverside to the clubs - it's not far!

Please do **NOT** park on **Water Row (the narrow road down to Tyne ARC)** or on **Grange Road** outside the terraced housing or on the grass verge anywhere. Please note that at previous events the police have issued fines for parking in this area as it restricts access of the emergency services, etc. See map below with no-go areas marked in red.

Parking spaces are available off Grange Road near the Leisure Centre and at Tyne Riverside Country Park (green on map below).
